PROFESSIONAL EXPERIENCE

BUSINESS OPERATIONS INTERN | Aquatic Capital Management | Chicago, IL

June 2025 – August 2025

- Generated a robust employee compensation database by analyzing data from over 1,500 applications, enhancing future decision-making capabilities for this research-driven quantitative hedge fund
- Built 15 position-specific metrics that enabled more concise analysis to drive internal and external compensation benchmarking

PROJECT, STRATEGY & FUNDRAISING INTERN | REVEL Moments | Remote

May 2025 – August 2025

- Managed the capital-raising process for Brand ACES by developing a centralized investor pipeline tracker for more than 100 prospective investors, streamlining workflows, improving accountability, and monitoring action items and deadlines
- Redesigned 15+ client pitch decks using engaging visuals, storytelling, and marketing principles, increasing investor engagement as measured through DocSend analytics

CLIENT SERVICES INTERN | Data Axle | Remote

May 2024 – August 2024

- Partnered with the Account Director to manage daily activities for 30 Marriott Bonvoy marketing initiatives
- Identified new strategies for creative elements, segmentation, and targeting by researching consumer behavior in email marketing with a focus on psychological factors that influence decision-making, including analyzing more than 500 email campaigns
- Enhanced campaign tracking by implementing a new technology to monitor the status of emails for more than 20 overarching campaigns and individually consulted with six separate account managers to introduce and demonstrate the new system

LEADERSHIP EXPERIENCE

PRESIDENT | Wake Forest Women's Club Volleyball Team

September 2022 – May 2026

- Led a four-person executive board to oversee a 20-member team and evaluated player skills to plan thrice-weekly, two-hour practices, optimizing time management and promoting team growth
- Developed and managed a \$4,000 annual budget, allocating funds across tournaments, travel, and equipment while maintaining financial transparency and sustainability

ANALYTICAL PROJECT EXPERIENCE

Red Bull Consumer Analytics & Strategy: Analyzed consumer behavior, competitor positioning, and industry trends through qualitative research, synthesizing 100 interviews into actionable insights that informed customer personas and recommendations

Retirement Portfolio Forecasting & Risk Analysis: Developed a retirement forecasting model using Oracle Crystal Ball, Scenario Manager, and Goal Seek to simulate portfolio performance, quantify investment risk, compare allocation strategies, and optimize savings rates based on historical market data
